Dear Wendy:

I want to take this opportunity to thank you very much for the samples of Calmoseptine. I am an Enterostomal Therapy Nurse in long term care. I am asked frequently "What can we do about this sore bottom?". I have tried different products for long periods of time and then have tried Calmoseptine with marvelous results. I am on the east coast, so getting enough product in the right places to meet the demand is a challenge. I have started using this in five facilities and continue to receive calls of terrific resident response.

Thank you again for your continued support. Your product is without a doubt terrific.

Sincerely;

Laurie Miller MS RN CETN OCN
