

G. J. [unclear] M.D.

PRACTICE LIMITED TO INFANTS AND CHILDREN

EAST DETROIT, MICHIGAN 48021

11/20/86

Mrs. Wendy Dixon,

I would like to state that almost all of my mothers report to me that Calmoxylone was so effective in treating, and, later on, preventing diaper dermatitis! In my office, it is the diaper cream of choice.

Sincerely,

G. J. [unclear] M.D.
