Dear Wendy,

I just want to thank you for helping me find your wonderful Calmoseptine Ointment here in the Richmond, Va. area.

As I told you on the phone how it helped me when I had to have a Colonoscopy done. I had no soreness at all because I used Calmoseptine each time I had a bowel movement.

I will see Dr. Stabler on March 1st & I will talk to him about it. I'm sure he has received your samples by now.

I continually tell people about it & will do so.

If you are ever in the Richmond area please call & come for a visit. Thank you for your help.

RAMONA

Sincerely,
