SOMETHING ABOUT THE POSSIBILITY OF ANOTHER BEDSORE (HE HAS A VERY PROMINENT TALBONE) AND I WANTED TO START PREVENTATIVE MEASURES EARLY, THE DR. AGREED, AND YOUR CALMOSEPTINE OINTMENT WAS WHAT HE GAVE US, NEEDLESS TO SAY -- WE AVOIDED ANY SORES, AND IN THE PROCESS DISCOVERED ANOTHER EVEN MORE SPECTACULAR USE FOR YOUR OINTMENT.

I HAVE WHAT THEY CALL A SYSTEMIC DERMATITIS ON ONE ANKLE, ONE HEEL, AND ONE ELBOW. I HAVE RUN THE GAMMUT OF PRESCRIPTION CREAMS, LOTIONS, ETC., NOT TO MENTION EVERY OVER-THE-COUNTER PRODUCT AVAILABLE! NOTHING HAS EVER REALLY "CURED" THE PROBLEM. ONE NIGHT, A WEEK OR SO AGO,

THE SPOT ON MY FOOT WAS ITCHING ME TO DEATH -- SO I THOUGHT -- WHAT HAVE I GOT TO LOSE -- GO I TRIED A LITTLE OF YOUR OINTMENT ON THE "SPOT FROM HELL". (I'M TELLING YOU, WHEN IT ITCHES -- THE ITCH GOES CLEAR THROUGH TO THE BONE!) WELL -- I COULDN'T BELIEVE IT! WITHIN MINUTES THE ITCH HAD STOPPED!! I CONTINUED TO USE THE OINTMENT ON ALL THREE SPOTS, AND IT WAS ALMOST COMPLETELY CLEARED UP! THE FLAKY THICK SKIN JUST "PEELED OFF" LEAVING BRAND NEW SOFT SKIN UNDERNEATH. THERE'S NO PAIN, NO ITCH, NO MORE HARD, DRY, FLAKY SKIN. IT'S A MIRACLE! I THINK YOU NEED TO GEAR THIS TOWARD DERMATOLOGISTS, ETC., BECAUSE
